MEDICINES.

In order to supply the heavy demand we have taken the agency for the sale of the new and popular Health Restoratives. The UNIVERSITY MEDICINES are set itently destined to become the remedies of the day. Already their sale is more extense than that of any me-ticines. Thousands of obysicians and patients are using them with a success bordering on the theumsturglest. Patient and exhausting completats, which resist all other methods of treatment, are curren by them almost floatantaneously. If on trial they are not found to be the most rapid and exheucious curers of disease on the face of the earth they will be nursished free. They stand on their recrits alone. Hustrated descriptive hooks free to all, Open day and hight.
